OVERSTOCK GLOBAL SOLUTION

I WHO WE ARE

Offering global stock solutions since 2010, Ozeol is a worldwide supplier of B2B products. Ozeol allows you to sell your inventories quickly, reducing storage costs. Some of our experts have over 20 years of experience in global business solutions for production.

We operate internationally in order to identify surplus stock of finished products including end of collection, changes in packaging, surplus stock, cancelled orders and second choice.

I WHAT WE DO

We offer the best alternative solutions to your unsold and dead stock. Our success is based on our abilities to react quickly in order to sell unsold items. Ozeol is always close to you as we have a global reach and our logistics and transport services operate everywhere in the world.

Our mission is to always select an optimal solution that will be cost effective and time oriented. Ozeol's quick process has 4 steps: Negotiation, Quality Check, Shipment and Payment.

I OUR VISION

Our aim is to provide innovative solutions with a focus on environmental and stock investment leadership. We believe that a great team is made of satisfied employees who can then achieve excellent results. We care about their training and well-being inside and outside the workplace.

We have built long-term results and we are convinced that if we take the right steps today, we will continue to have a strong company and achieve outstanding performance with a positive impact in the future.
