OVERSTOCK GLOBAL SOLUTION

The image shows a low-angle shot of a modern building with a dark, textured facade. The building's facade is composed of dark panels with horizontal lines. The lower portion of the building features large glass windows that reflect the sky. The Zeol.com logo is prominently displayed on the upper part of the facade. The logo consists of the word 'Zeol' in a stylized, orange, cursive font, followed by '.com' in a smaller, orange, sans-serif font. Below the main logo, the tagline 'OVERSTOCK GLOBAL SOLUTION' is written in a smaller, orange, sans-serif font. The sky in the background is a clear, bright blue with a few wispy white clouds. A satellite dish is visible on the roof of the building to the right.

Who We Are

Since 2010, Ozeol has been your trusted partner for global stock solutions, revolutionizing the way B2B products move across borders. We make it easy for you to sell surplus inventory quickly, helping you cut down on storage costs. Backed by a team of experts with over 20 years of experience in global business solutions, we're dedicated to finding opportunities in surplus stock—whether it's end-of-collection items, packaging changes, cancelled orders, or second-choice products. With our international reach, we bring you the best solutions to clear your inventory and optimize your supply chain.

What We Do

At Ozeol, we offer the best alternative solutions for your unsold or excess stock. Our success is driven by our ability to act quickly, turning surplus inventory into valuable opportunities. With a global reach and logistics and transport services operating worldwide, we're always close by to support your needs.

Our mission is to provide cost-effective and time-efficient solutions that are tailored to your business. Ozeol's streamlined process is simple and fast: Negotiation, Quality Check, Shipment, and Payment—ensuring a seamless experience from start to finish.

Objectives

Ozeol's expertise in supply chain management ensures complete transparency, giving you real-time insights and confidence that your inventory is in trusted hands. Our commitment to openness builds strong, reliable partnerships.

Our Vision

Our goal is to deliver innovative solutions with a strong focus on environmental sustainability and stock investment leadership. We believe that the foundation of a great team lies in the satisfaction and well-being of our employees, both in and outside the workplace. By investing in their training and personal growth, we empower them to achieve outstanding results.

We are committed to building long-term success, and we're confident that by taking the right steps today, we'll continue to strengthen our company and achieve exceptional performance, creating a positive impact for the future.

Our Approach

At Ozeol, sustainability is a core value that drives our operations. We're committed to reducing waste by efficiently redistributing surplus stock, ensuring that products find new homes instead of being discarded. Our logistics network prioritizes eco-friendly transport solutions, cutting down on carbon emissions and maximizing energy efficiency. By integrating sustainable practices into every step of our process, we create value for our clients while contributing to a greener, more responsible future

Our Solution

Stuck with excess inventory, cancelled orders, blocked containers, or unsold stock? Looking to clear it out quickly and efficiently? Ozeol is here to provide the perfect solution—offering fast, hassle-free stock purchases.

As experts in product clearance, we specialize in handling all types of inventories, from entry-level to luxury items. Our tailored solutions ensure you can liquidate your unsold stock swiftly and effectively, turning surplus into opportunity. Let Ozeol take care of your inventory challenges so you can focus on what matters most.

OVERSTOCK GLOBAL SOLUTION

The image shows a modern office interior with large glass windows. Mounted on the glass is a large, 3D orange logo for 'ozeol.com'. The logo features a stylized 'o' with a swoosh that extends under the 'zeol' part of the domain. Below the domain name, the words 'OVERSTOCK GLOBAL SOLUTION' are written in a smaller, sans-serif font. The background shows office chairs and desks inside the building, and a cityscape visible through the windows.
